2nd August 2004

Dr. Emmanouil Zacharakis

Dr. Zacharakis was employed as a Trust Doctor at the Royal Berkshire Hospital, Reading, Berkshire, which covers a population of 500,000, from 4th February – 3rd August 2004.

- **Surgical duties**

Looked after emergencies and post-operative patients on the wards.

- **Emergency theatres duties**

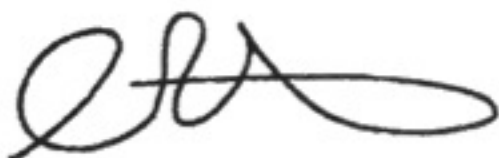

This entailed operating on emergency patients including appendicectomies.

- **Specialised in breast and endocrine surgery.**

Operating on breast patients under supervision.
Assisted in operations on thyroid and parathyroid patients

- **Clinical work in outpatient department**

Dr. Zacharakis was highly competent clinically and surgically. He was conscientious, punctual, well organised and thorough whilst working on a very busy Surgical Unit and he showed a high level of commitment. He was able to appropriately organise investigations and treatment and his judgement and patient management was exemplary.
