Re: Mr Emmanouil Zacharakis, son of Stavros, DOB 22/03/1972

It gives me great pleasure to give a recommendation for Mr Zacharakis. He worked with me as senior clinical fellow and as a consultant colleague.

Mr Zacharakis is reliable, hard working, diligent and certainly a team player. Both medical and nursing staff rated him very highly and the patients fully trusted him. He has outstanding communication skills and natural leadership ability.

He has excellent technical and clinical abilities. His cognitive knowledge is well above average and has good potential for academic career.

I have no hesitation in supporting his application to work as a consultant General and gastrointestinal Surgeon.

Best wishes and kind regards

Yours sincerely,

G Hanna
